

Established in 1840, The Club Bar in Dalkey has a long and distinguished history and has been beautifully brought up to date by Seamus and Kathleen Sheeran, who have owned the bar and lounge since 1969.

Their youngest son David & his sister Miriam are now actively involved in its day to day running of the bar so you're always sure of a warm and inviting welcome! Dalkey is regarded as Dublin's most popular towns and is one of the country's oldest settlements with a strong natural social history.
